

View Submitted Applications

Applicants have the ability to view all applications submitted.

Step 1	Log into UConn Jobs site.
Step 2	Click My Career Tools in the header links.

Step 3	Click the title link to view the application.
<p> Note: Submitted applications will display with “Applied” status. This status is only an indicator of application submission and does not change to indicate the status of the job search.</p>	

Completed	The application page displays for postings currently open. (Expired postings provide a status only).
