

Our People

Promoting Respect and Civility

Questions to ask yourself:

1. Do I recognize and value the contributions of all the positions that make up our employee community?
2. In the process of making my decisions, do I consider everyone who will be affected?
3. Have I treated others as they wish to be treated?
4. Do I think about how my behavior can negatively impact another employee's perception of their value?

What you can do:

- Speak up.
- Talk to your supervisor.
- Contact one of the sponsoring organizations.
